

**SM-231**

- Digital microwave oven
- 23Liter
- 10 microwave power level
- 220-240~50/60Hz , 800W

**SM-281**

- Digital microwave oven
- 28Liter
- 5 microwave power level
- Grill & combination grill
- 220-240~50/60Hz 900W

**SM-172**

- Microwave oven with Grill
- 17Liter
- 7 microwave power level
- Cooking end signal
- 220-240~50/60Hz , 700W

**SM-173**

- Microwave oven
- 28Liter
- 10 microwave power level
- Cooking end signal
- 220-240~50/60Hz , 900W

**SM-174**

- Microwave oven digital
- 28Liter
- 10 microwave power level
- Cooking end signal
- Digital clock ( 12 hours system )
- 220-240~50/60Hz , 900W

**SM-175**

- Microwave oven digital
- 17Liter
- 7 microwave power level
- Cooking end signal
- Digital clock ( 12 hours system )
- 220-240~50/60Hz , 900W

**SM-233**

- Microwave oven digital
- 28Liter
- 10 microwave power level
- Defrost settings
- Digital clock ( 12 hours system )
- 220-240~50/60Hz 900W

**SMO-2045**

- Microwave oven
- 17Liter
- 6 microwave power level
- Defrost settings
- 30 minutes timer
- 220-240~50/60Hz 700W

**SMO-2046-D**

- Digital Microwave oven
- 17Liter
- 6 microwave power level
- Defrost settings
- 30 minutes timer
- 99 min , 99 sec digital timer
- 220-240~50/60Hz 700W

🔍 ELECTRIC OVEN

**SO-250 E**

- 25L Electric oven with rotisserie
- Stainless steel body
- 60 minutes timer
- Temperature range : 100c~250c
- Power : 1,380W
- 220-240V ~ 50/60Hz

**SO-10**

- Electric oven
- Capacity : 10L
- Power : 600W
- 15 minutes timer
- Operation indicator / heating element selector
- Auto shut off and ready bell
- Top & bottom heating element by quartz

**SO-4039 PCR**

- 70L Electric oven
- With 4 pizza dish
- With Rotisserie
- 4 stage switch heating selection
- Temp control : 100c ~ 250c
- Indicator light & crumb tray
- 220-240V ~ 50/60Hz , 2,300W

**SO-350 E**

- 35L Electric oven with rotisserie
- Stainless steel body
- 60 minutes timer
- Temperature range : 100c~250c
- Power : 1,600W
- 220-240V ~ 50/60Hz

**SO-420 E**

- 42L Electric oven with rotisserie
- Stainless steel body
- 60 minutes timer
- Temperature range : 100c~250c
- Power : 2,000W
- 220-240V ~ 50/60Hz

**SO-20 R**

- 20L Electric oven with rotisserie
- Stainless steel body
- 60 minutes timer
- Temperature range : 100c~250c
- Power : 1,300W
- 220-240V ~ 50/60Hz

**SO-46**

- 46L Electric oven with rotisserie & convection
- Stainless steel body
- 60 minutes timer
- 4 stage heating element
- Temperature range : 100c~250c
- Power : 2,000W
- 220-240V ~ 50/60Hz

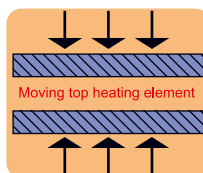

**SO-40 HP**

- 48L electric oven with rotisserie
- With 2 hot plate
- 60 minutes timer
- 4 stage heating selector control
- Stainless steel housing
- 220-240~ 50/60Hz , 2000W

**SO-32**

- 32L Oven guru
- With moving top heating element , for roasting , grilling , toasting , and backing your food , cook faster and store the juicer inside meat.
- 60 minutes timer
- 3 stage heating selector control
- Detachable top and bottom plate
- Slide out crumb tray
- 220-240V ~ 50/60Hz , 2000W ~ 2400W

### SCO-120D

- Convection oven 12L ( Digital )
- Multifunction cooker : Cookes many ways , broiles-roasts-bakes-grill-bbq-broiles without water , fris without oil , steam - defrosts-disinfects
- Easy to operate-just set timer & temperature
- Easy to clean
- Quick cooking : 2-3 times faster then standard oven save energy 60%
- Seal juice inside
- 220-240V ~ 50/60Hz , 1300W

### SCO-121

- Convection oven 12L
- Multifunction cooker : Cookes many ways , broiles-roasts-bakes-grill-bbq-broiles without water , fris without oil , steam - defrosts-disinfects
- Easy to operate-just set timer & temperature
- Easy to clean
- Quick cooking : 2-3 times faster then standard oven save energy 60%
- Seal juice inside
- 220-240V ~ 50/60Hz , 1300W

RICE COOKER/ AIR POT

### STP-2003(AUTOMATIC AIR-POT)

- Electric thermo pot
- Capacity : 3.0 Litre
- 3 ways dispensing : Auto & manual sispense cup switch
- Re-Boiling
- Stainless steel inner pot
- Automatic keep warm function
- Detachable lid
- 360 degree rotating base
- 220-240V ~ 50/60Hz , 750W

### SRC-4006

- Digital Rice cooker
- Capacity : 2.2L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and mosit over extended hours.
- Cooks a varity of white , brown rice
- 220V-240V 50/50Hz , 1750W

### SY-RC-18 1.8L SY-RC-22 2.2L

- Rice cooker
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and mosit over extended hours.
- Cooks a varity of white , brown rice
- Steam fish , meat , poltry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

### SRC-2810

- Rice cooker
- Capacity : 2.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and mosit over extended hours.
- Cooks a varity of white , brown rice
- Steam fish , meat , poltry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-1810**

- Rice cooker
- Capacity : 1.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-1820**

- Rice cooker
- Capacity : 1.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-1830**

- Rice cooker
- Capacity : 1.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-1840**

- Rice cooker
- Capacity : 1.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-1890**

- Rice cooker
- Capacity : 1.8L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

**SRC-600**

- Rice cooker
- Capacity : 6.0L
- Premium non-stick cooking pot
- One-touch operation
- Detachable water collector removes excess water
- Easy to use and clean
- Keep rice fresh , warm and moist over extended hours.
- Cooks a variety of white , brown rice
- Steam fish , meat , poultry and vegetables
- Steams food and cooks rice at the same time.
- 220V-240V 50/50Hz

## ELECTRIC PRESSURE COOKER

**SPC-100**

- Electric pressure cooker
- Temperature protection device
- Keep warm function
- Cool touch body
- Non-stick coating inner pot
- Energy efficient design
- Lid on-off safety
- Pressure limiting device
- Pressure relief device
- Timer
- 6 litre capacity
- 220V-240V 50/50Hz , 1000W ~ 1190W

**SPC-115LED**

- Electric pressure cooker
- Temperature protection device
- Keep warm function
- Cool touch body
- Non-stick coating inner pot
- Energy efficient design
- Lid on-off safety
- Pressure limiting device
- Pressure relief device
- Timer
- 6 litre capacity
- 220V-240V 50/50Hz , 1000W ~ 1190W

**SPC-125D**

- Electric pressure cooker
- Temperature protection device
- Keep warm function
- Cool touch body
- Non-stick coating inner pot
- Energy efficient design
- Lid on-off safety
- Pressure limiting device
- Pressure relief device
- Timer
- 6 litre capacity
- 220V-240V 50/50Hz , 1000W ~ 1190W

SPC-550 **5.5L**  
 SPC-700 **7.0L**  
 SPC-900 **9.0L**  
 SPC-1100 **11L**

- Pressure Cooker
- Material : Stainless steel 18/10
- Five devices for safety : Weigh valve , alarm valve , safety valve , handle lock , cover window
- Multiple three layers bottom : Stainless steel-Aluminum stainless steel
- Cooking pressure: 80KPa
- Suitable for : Induction cooker and gas stove

SPC-5000 **5.0L**  
 SPC-7000 **7.0L**  
 SPC-9000 **9.0L**  
 SPC-11000 **11L**

- Pressure Cooker
- Material : Stainless steel 18/10
- Five devices for safety : Weigh valve , alarm valve , safety valve , handle lock , cover window
- Multiple three layers bottom : Stainless steel-Aluminum stainless steel
- Cooking pressure: 80KPa
- Suitable for : Induction cooker and gas stove

SPC-9905  
 SPC-9906  
 SPC-9907

- Pressure Cooker
- Material : Stainless steel 18/10
- Five devices for safety : Weigh valve , alarm valve , safety valve , handle lock , cover window
- Multiple three layers bottom : Stainless steel-Aluminum stainless steel
- Cooking pressure: 80KPa
- Suitable for : Induction cooker and gas stove

SPC-45  
 SPC-75  
 SPC-90

- Pressure Cooker
- Material : Stainless steel 18/10
- Five devices for safety : Weigh valve , alarm valve , safety valve , handle lock , cover window
- Multiple three layers bottom : Stainless steel-Aluminum stainless steel
- Cooking pressure: 80KPa
- Suitable for : Induction cooker and gas stove

SPC-5-ST **5.0L**  
 SPC-7-ST **7.0L**  
 SPC-9-ST **9.0L**  
 SPC-11-ST **11L**

- Pressure Cooker
- 2 in 1 non- stick pressure cooker
- Cook various : vegetables , meat , poultry
- Multi function : Steaming and cooking
- Fashionable and elegant design

SIC-4017

- Induction cooker
- 2000W , strong fire power
- High class , micro-crytal plate , super heat resistance , permanent resistant to dis coloration
- Press button control
- 4 digital display
- 8 stage power settings
- 60-270c temperature adjustment
- 8 multiple function
- Super wide voltage range adaptability 100-275V
- Imported IGBT
- Self-lubricating fan , disperse heat quickly
- Auto , shut off safety protection
- Over heat protection.

SIC-4018

- Induction cooker
- 2000W , strong fire power
- High class , micro-crytal plate , super heat resistance , permanent resistant to dis coloration
- Press button control
- 4 digital display
- 8 stage power settings
- 60-270c temperature adjustment
- 8 multiple function
- Super wide voltage range adaptability 100-275V
- Imported IGBT
- Self-lubricating fan , disperse heat quickly
- Auto , shut off safety protection
- Over heat protection.

ELECTRIC BBQ GRILL

SBQ-92

- Electric BBQ
- Non-stick coating
- Temperature control
- Oil tray
- Power : 1500W
- 220-240V ~ 50/50Hz

SBQ-93S

- Electric BBQ grill with stand
- Indoor and outdoor use
- Non-stick coating
- Temperature control
- Oil tray
- Power : 2000W
- 220-240V ~ 50/50Hz

SBQ-4021

- Table BBQ
- Grill Size : 38x22cm
- Operating on/off indicator light
- Auto-Thermostat control
- Various heat operation
- Non-Stick coating waterbase for smokeless cooking
- Removable parts available for easy cleaning
- 2 different level available for changing the Grill
- Anti rot and rustiness grill for healthy cookings
- 220-240V ~ 50/60Hz , 2000W

**SDF-17**

- 3.5L deep fryer
- Cool touch walls with adjustable thermostat
- Multi function handles with lifting system
- Removable LID with carbon odour filter
- Frying basket can be raised and lowered down when lid is closed
- Large observation window
- Safety interlock and opens automatically when pressing release button
- Non-stick coating pan for easy cleaning
- Detachable oil container
- Auto shut off function
- Power : 2000W

**SDF-25**

- 2.5L deep fryer
- Cool touch walls with adjustable thermostat
- Multi function handles with lifting system
- Removable LID with carbon odour filter
- Frying basket can be raised and lowered down when lid is closed
- Large observation window
- Safety interlock and opens automatically when pressing release button
- Non-stick coating pan for easy cleaning
- Detachable oil container
- Auto shut off function
- Power : 1600W

**SDF-35**

- 3.5L deep fryer
- Cool touch walls with adjustable thermostat
- Multi function handles with lifting system
- Removable LID with carbon odour filter
- Frying basket can be raised and lowered down when lid is closed
- Large observation window
- Safety interlock and opens automatically when pressing release button
- Non-stick coating pan for easy cleaning
- Detachable oil container
- Auto shut off function
- Power : 2000W

**SDF-28T**

- 2.5L deep fryer
- Cool touch walls with adjustable thermostat
- Multi function handles with lifting system
- Removable LID with carbon odour filter
- Frying basket can be raised and lowered down when lid is closed
- Large observation window
- Safety interlock and opens automatically when pressing release button
- Non-stick coating pan for easy cleaning
- Detachable oil container
- Auto shut off function
- Power : 1600W

**SDF-4005**

- 2.2L deep fryer
- Cool touch walls with adjustable thermostat
- Multi function handles with lifting system
- Removable LID with carbon odour filter
- Frying basket can be raised and lowered down when lid is closed
- Large observation window
- Safety interlock and opens automatically when pressing release button
- Non-stick coating pan for easy cleaning
- Detachable oil container
- Auto shut off function
- Power : 1600W

**SDF-2000**

- 2 in 1 Deep fryer & rice cooker
- 4L non-stick coated inner pot
- Brushed stainless steel exterior
- Adjustable thermostat
- Removable basket with detachable handle
- Glass lid with ventilation for viewing of cooking cycle
- Multi function cooker for rice, stews, slow cook and deep fryer
- Switch automatically shuts off at end of cooker cycle and keep warm for hours

**SS-717**

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- Upright standing for compact storage
- Power : 750W

**SS-9025**

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

**SSM-4011**

- Grill maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

**SWM-4012**

- Waffle maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

**SWM-4013**

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

**SWM-4014**

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

**SM-4027**

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- Upright standing for compact storage
- Power : 750W

SS-8610

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

SR-20-M

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

SG-9035

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- 2-slice sandwich plate
- Upright standing for compact storage
- Power : 750W

SWM-4015

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- Upright standing for compact storage
- Power : 750W

SG-9026

- Sandwich maker
- Cool touch housing
- Non stick cooking plate
- Power on & ready indicator
- Thermostat control
- Upright standing for compact storage
- Power : 750W

SCM-4053

- Crape maker
- 2.00mm thickness aluminum for pan , carbon steel for base
- Auto temperature controller
- Non-stick coated heating plate
- 220-240V ~ 50/60Hz , 1500W

**SPM-4071**

- Pizza maker
- 30cm diameter pan
- With 30' time for easy cooking
- Non-Stick coating for easy cleaning
- Easy storage and durable
- Energy saving and easy to clean
- 220-240V ~ 50/60Hz , 1100W

**SRM-4072**

- ROTI & TORTILLA MAKER**
- Non-stick coating plate
  - Brushed stainless steel housing
  - Non-stick coating plate for easy cleaning
  - Stand upright for compact storage
  - Power and ready light indicator
  - Cord-wrap for storage
  - 220-240V ~ 50/60Hz , 900W

SG-9045

- Grill maker
- Non stick removable plates
- 6 sandwich capacity
- Heat adjustment button
- Height adjustment / clip to fasten / extendable feet
- Oil try / cable storage
- Power : 2200W

SCM-4070

- Cotton candy maker
- Make candy floss at home
- A healthy and tasty snack for the whole family
- Preparing without oil
- Fun and exciting to make , easy to make
- 220-240V ~ 50/60Hz , 500W

SPM-4026

- Pizza maker
- Thermostat with 240c max
- Temperature adjustable knob
- Non-Stick coating
- Full glass window
- Comfortable lifting handles
- Easy storage and durable
- Energy saving and easy to clean
- 220-240V ~ 50/60Hz , 1500W

SPG-9025

- Pizza maker
- Thermostat with 240c max
- Temperature adjustable knob
- Non-Stick coating
- Full glass window
- Comfortable lifting handles
- Easy storage and durable
- Energy saving and easy to clean
- 220-240V ~ 50/60Hz , 1500W
